Welcome to **Easy Travel Lodging (ETL)**. Our commitment to you is to provide excellent service with superior accommodations. We go “over and above” because by staying with us, we want you to feel safe, comfortable, and appreciated. We want your experience to be so special that you want to tell your friends all about it!

.....

How do we do that?

You will discover that each location has been personally vetted by the Easy Travel Lodging staff. Each living space is hand chosen based on our high standards for quality, safety, location, and easy access to the freeways and local venues.

We start off by planning each living space with guidance from our team of design experts. You will feel like you have walked into a space that has been specially created just for you---because it has! No two accommodations are alike. We want your “new home” to feel like your home away from home that includes a wonderful easy living feeling with a touch of elegance.
